

## Bethel Men's Ministry

We seek to cultivate biblical masculinity while seeking the truth of God's Word through relationships and accountability which result in Christ-like character, service, and leadership in family, church, work-place, and community.

We are dedicated to studying the Word of God and allowing it to change our lives.

We take the questions that our lives pose and search God's Word for the answers.

Building meaningful relationships among men to encourage and equip them to grow in their relationship with Christ, to love and lead their families, to serve the Body of Christ, and to be effective witnesses in their world.
